

Introducing CCAP

CCAP is a cross-cultural awareness program in the need to enhance the mutual understanding among different cultures. This program is designed to be a participatory process that augments education for international understanding in schools nationwide and promotes a culture of tolerance and mutual respect.

Main Activities

1. Regular Class

CCAP is a cross-cultural awareness program in the need to enhance the mutual understanding among different cultures. This program is designed to be a participatory process that augments education for international understanding in schools nationwide and promotes a culture of tolerance and mutual respect.

- Spring Semester : April-June
- Fall Semester : September-November

2. Caravan

Caravan provides opportunities for schools with limited access to foreigners or different cultures due to their geographical locations. Caravan team will conduct 6 CCAP classes while they are staying. Homestay program and additional cultural exchange activities are scheduled as well.

3. Get-Together

Get-Together is a program designed to provide new activities to CCAP participants outside of the classroom. It promotes an opportunity to the participants to experience and learn each other's culture.

4. CCAP Forum

Semi-Annual Forum and Annual Forum is held at the end of each semester to evaluate CCAP activities and cultural effects with all participants. It carries out lectures, workshops, and discussions on the quality and effectiveness of CCAP classes.
